

My husband and I have been married for almost 45 years. We have 2 children and 4 grandchildren. We have lived in Washington City for 14 years. We moved here after I retired from Los Angeles Unified School District. I worked in special education for 5 years and then as an office manager for 13 years. I worked at a middle school with an enrollment of 2,300 students and handled the payroll for 150 employees. Some of my responsibilities included: budget, correspondence, supplies, hiring/dismissing and evaluations of all clerical personnel, attendance records for all personnel and secretary to the principal.

After moving to Washington City, I became a member of the Planning Commission in 1997. I served on that Commission for 5 years, and as Chair for 2 years. I was elected to the City Council in November of 2001 and took office in January of 2002. I have also served on various other committees: Replacement Airport Task Committee, Milepost 13 Planning and Design, liaison to the Chamber of Commerce, Washington County Economic Development Council for affordable housing, Water District meetings and many homeowner meetings.

I enjoy being with my family, travel, golf, working in my yard and reading a good book.

I have no special agenda. The only property I own is my house. My goal each day is to serve the citizens of this good city with integrity and fairness. This I have done. I sincerely hope the citizens recognize my efforts and elect me to continue to serve them.
